

## **Training & Assessment** **Certificate IV (2 Day Upgrade)**

The Australian Certificate IV in Training and Assessment (TAA40104) is designed to meet the training and assessment needs of individuals, enterprises, training organisations and industries. It supersedes the BSZ40198 Certificate IV in Assessment and Workplace Training. The Course provides human resource personnel and training facilitators with a solid foundation for training design, development and delivery, and enables graduates to promote and create positive and confident learning environments

**The Certificate is recognised by the Department of Education, Science and Training (DEST) as the benchmark qualification for Competency Based Assessment and Workplace Training in Australia.**

The course is designed as an upgrade to the new TAA40104 Certificate IV in Training & Assessment for those who already hold a BSZ40198 Certificate IV in Assessment & Workplace Training. This course is delivered over 2 days through face to face training. Assessment will be by in-class activities, and a workplace project which will include activities and the collection of relevant documentation.
